Dear Sir

As I hear you
are in England, I write
to say how much
pleasure it will give
to Mr. Nuxton and
myself if you will

I am and sleep at our
house on Wednesday next
the 20th. - I am
presuming on your
acquaintance with my
father the late Sir T. Fowell
Buxton when in England

more than 30 years ago.
Believe me dear Sir
Yours faithfully
W. L. Garrison by J. Mull Buxton
